NEPA DISCLOSURE STATEMENT FOR PREPARATION OF THE WEST VALLEY DEMONSTRATION PROJECT WASTE MANAGEMENT ENVIRONMENTAL IMPACT STATEMENT

CEQ Regulations at 40 CFR 1506.5(c), which have been adopted by the DOE (10 CFR 1021), require a contractor who will prepare an EIS to execute a disclosure specifying that they have no financial or other interest in the outcome of the project. The term “financial or other interest in the outcome of the project” for purposes of this disclosure, is defined in the March 23, 1981, guidance “Forty Most Asked Questions Concerning CEQ’s National Environmental Policy Act Regulations,” 46 FR 18026-18038 at Questions 71a and b.

“Financial or other interest in the outcome of the project” includes “any financial benefit such as a promise of future construction or design work in the project, as well as indirect benefits the contractor is aware of (e.g., if the project would aid proposals sponsored by the firm’s other clients)” 46 FR 18026-18038 at 18031.

In accordance with these requirements, Battelle Memorial Institute hereby certifies as follows: check either (a) or (b).

(a) X Battelle Memorial Institute has no financial or other interest in the outcome of the referenced EIS projects.

(b) _____ has the following financial or other interest in the outcome of the referenced EIS projects hereby agree to divest themselves of such interest prior to the start of the work.
